This early work on dancing is a fascinating read for any enthusiast. Its 148 pages are extensively illustrated with diagrams and intended to help beginners and average dancers in particular to acquire a sound knowledge of ballroom dancing. Contents Include: Introductory Section; The Quickstep; The Waltz; The Foxtrot. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
