I'm talking late 70's, hardcore stuff here, like 'Good
for your Soul"." -Soundcheck Magazine "Jimmy 2 Times' awesome set in the rain, ... played early on in the day. ... was fast, fun and energetic. And the rain didn't stop the poly-instrumented crew; they kept right on, leading the crowd into a ska-induced frenzy."-Campus Point Magazine (UCSB) "J2X is a melting pot of musical styles that includes ska, rockabilly surf and pop-rock. Very, very fun live show for sure!" -Zero Magazine
