Migration and multiculturality are not new phenomena to Europe but recent periods of unprecedented human movement have established new and evolving diasporic configurations. "Social Work and Minorities" critically examines key concepts such as assimilation, multi-culturalism, racism, marginalization and social exclusion. It will be an essential resource for social work practitioners and educators working with migrant communities throughout Europe. Publisher: Routledge Illustration: N Language: ENG Title: Social Work and Minorities Pages: 00000 (Encrypted PDF) On Sale: 1998-10-15 SKU-13/ISBN: 9780415169622 Category: Social Science : General
