The Process of Mystical Transformation and The Path of Divine Love

This Volume focuses on the ancient wisdom teachings of "Neter Merri" - the Ancient Egyptian philosophy of Divine Love and how to use them in a scientific process for self-transformation. Love is one of the most powerful human emotions. It is also the source of Divine feeling that unifies God and the individual human being. When love is fragmented and diminished by egoism the Divine connection is lost. The Ancient tradition of Neter Merri leads human beings back to their Divine connection, allowing them to discover their innate glorious self that is actually Divine and immortal. This volume will detail the process of transformation from ordinary consciousness to cosmic consciousness through the integrated practice of the teachings and the path of Devotional Love toward the Divine.
