WARNING! Much Of This Information Is Hard-Hitting And Only For Serious Marketers Looking To
Powerfully Generate Six Figures Online! Dear Money Maker, Do you get angry with all the empty
promises online that seemingly always under-deliver? Do you get that festering feeling of disgust every
time you go buy some product or take some advice just to find out the person has no idea what hes
talking about? I admit it. I had experienced all of the same frustrations trying to make money online that
literally had me pulling out my hair wondering if success online was ever really possible. I eventually
cracked the code to online success. In just a minute, Ill share with you some of what I did to make a
multiple six-figure income in almost no time. But first Before I share the methods, I wanted to share with
you something that is even more important than the methods to striking it rich online and that is mind set.
See, before I was successful online I bounced around. You know, wasting too much time on forums,
reading countless eBooks, and keeping up on the latest Guru gossip. Then I would get those annoying questions from friends asking, So hows the online thing going? These questions always seemed to come in a half sarcastic tone that would just make my blood boil inside. But I would keep cool in front of them and play it off with something like, Oh, its unbelievable. Or other phrases that would allow me to answer the humiliating questions, while being honest and pretending like it didnt bother me. Sound familiar? I would sometimes experience depression as I felt like a caged beast at my cubicle from 9-to-5... almost like I was an adult that needed babysitting to make sure I was getting my work done. Deep down I knew that I could achieve my dreams of six-figures online if I could just find the missing link. Thats when it happened. I Discovered The Explosive Success Factor Of Virtually All Rich People! And that is the You Factor... Thats right. Now, I had heard this before but for some reason it really hit the core of me as I was sitting there in my cubicle, feeling anger and disgust at where my job was taking me like I didnt have control over my independence anymore. Thats when I got serious. I scratched everything I had worked on before and decided that I was going to make it happen I looked in at my business online and who was running it and I decided that I needed to make a drastic change. So I Fired Myself! Yep, then I hired myself right back on one condition: I was going to get the job done no matter what! Once I realized that so much of this depended on me, it totally changed my mind set it was like taking the pressure of 150 lbs off my back. So I became a student of so many things online. I devoured info products, read tons of self-help books, put in countless hours and I figured out something real fast. FACT: A Lot Of Stuff Out There Is Total B.S. Because I was determined to be successful quickly and with long-term results, I instantly developed powerful B.S. Detectors. So many things out there are not actionable. They are theory that ends up wasting your time searching for the Holy Grail to personal independence. And some of it is just down right hocus pocus. So I developed this rule: If I couldnt apply a certain mind set strategy in my life right away, I ditched it. I canned the non-sense and learned exactly what to pay attention to and use. The mind set strategies I could apply became like gold and amplified my success with a sonic boom effect. Then I Discovered The 6-Figure EXPLOSION! I went to work reviewing all sorts of information, spending countless hours testing and tweaking. I found the who, what, where, when and why of making money online. Much of what it takes to be successful online with marketing is based on basic marketing fundamentals... just with its own twist. Then I mixed all this together with the mind set strategies and BAM! ... An Explosion Occurred! Using this tremendously powerful formula of specific and actionable
mind set strategies and profit-producing methods I created a success mixture that created the synergy necessary to explode my bank account and let me quit my job quickly. Just imagine taking your current income level at your job, replacing it online and then injecting profit-producing steroids into it that causes an explosion the type that can make you rich, happy and personally independent. I discovered what works and what does not work. Countless hours where invested in that 5 month period of time. And when it was all over, I discovered: The Shocking Truth: Its Not That Hard For YOU To Make 6 Figures Online! I know, I know it sounds like hype. But I found 3 key ingredients for someone like you, looking to make six-figures from home, in your pajamas: ... Follow a proven formula ... Build some rock-solid B.S. Filters ... Know how to identify and avoid the major pitfalls That makes sense, doesn't it? Next, I Took My Golden Formula To The Printing Press For YOU! So after my success I was able to move to my dream location and spend my time as I pleased. Friends would become jealous that we could no longer share the traffic horror stories that they were still experiencing. Heck, even my dog wishes I'd leave home to work more often so he can have something to get excited about when I come back! But in all seriousness, people wanted to know how I had achieved such significant success in so little time. So I sat down and mapped out what I share with my coaching clients (some of whom pay over $1,000 per month to have me school them about internet marketing).
