America From Apple Pie to Ziegfeld Follies Book Four: Events is a reproducible low level ESL/EFL/Literacy reading and discussion text. There are 26 units in the book, with the topics following the alphabet A to Z (i.e. Alamo to Ziegfeld Follies). Each unit examines an element of the American experience that will genuinely interest and inform not only immigrants to the United States but also learners abroad who want to know more about the events that have made this nation great. Although the passages are limited to an elementary level of language difficulty, their style remains vivid and authentic.
