Dear Marketer, Every person who makes a living online will tell you that when It comes to making money in internet marketing your greatest asset is YOUR LIST! But almost as valuable as your list is YOUR TIME! That's why I was thrilled this week when I added 356 people to one list, 274 to another, transferred 8 from one list to another, and sent 4 emails to a combined 3,125 people all in one day without ever logging into my Aweber account! You see, Aweber is the undisputed, most powerful auto responder available to serious marketers. Yet most who pay their monthly fee for this service either let their account sit and collect "Virtual Dust" (thinking that some day it will magically spring into action and build a massive list for them) or they use only the very basic services and never take full advantage of this simple yet incredibly powerful tool! So I have put together a series of 14 detailed videos that will show you how to UNLEASH the full abilities of Aweber!
