

Brahms Symphony No 4 2nd Mvt Lso Josef Krips

[DOWNLOAD HERE](#)

This is the Andante moderato recorded in April 1950 by the London Symphony Orchestra conducted by Josef Krips. There are no histrionics about Krips's reading, in which everything is beautifully proportioned and carefully calculated. The music moves forward to its natural climaxes, in each of the four movements, with a wonderful feeling of inevitability that leads logically and dramatically to the crowning achievement of the great Finale. The orchestral playing is sensitive, vigorous, and poised to a nicety, and the recording does full justice to it. R.H. writing in The Gramophone November 1950
