Become a &dominant predator& in today&s dog-eat-dog sales environment Today&s buyers barely resemble buyers from just a few short years ago. They&ve come a long way in educating themselves about making the best purchase decisions, and as a result they &shop around--so competition is fiercer than ever. If you want to succeed you have to become a &dominant predator.&Competitive Selling has what you need to out-maneuver, out-negotiate, and out-sell everyone who stands between you and a closed sale. It reveals exactly how today's highest achievers win every battle and provides a blueprint for replicating this success, including how to:

- Identify your competition before meeting with the buyer
- Open competitive selling opportunities
- Out-flank your competitors using the Client Needs Analysis
- Eliminate competitors without badmouthing them
- Stand out to the decision-makers
- Win sales as the higher-priced option

A complete reeducation on how to approach the sales process, Competitive Selling provides a brutally realistic view of the sales environment today and offers the means for climbing your way to the top of the food chain&and staying there.
