Once upon a time, Michelle McKinney Hammond's lifestyle centered around the finer things in life-designer clothes, five-star restaurants, and bag after bag of high-end nonessentials. Then one day, like many people, Michelle awoke to find herself on the losing end of a most unwelcome and unexpected financial downturn. In response, she quickly went from "spoiled" to "fabulously frugal," and with courage and a sense of humor, she made the necessary adjustments in her life. Now, Hammond, a self-proclaimed DIVA (Divine Inspiration for Victorious Attitude), shares what she learned about her own spending, desires, and needs and how she adjusted to life during an unpredictable economy. Divanomics is filled with money-saving tips on fashion, beauty, home decor, entertaining, diet, housing, and more.
