This ninth volume in the Brazos Theological Commentary on the Bible offers a theological exegesis of Numbers. This commentary, like each in the series, is designed to serve the church--through aid in preaching, teaching, study groups, and so forth--and demonstrate the continuing intellectual and practical viability of theological interpretation of the Bible. "The Brazos Theological Commentary exists to provide an accessible authority so that the preacher's application will be a ready bandage for all the hurts of life. The Brazos Commentary offers just the right level of light to make illuminating the word the joy it was meant to be."
