Newly updated and revised with the most current information about the events in the Middle East, Pastor John Hagee explains how the Israeli and Palestinian conflict will affect global politics, America's energy supply, and the world economy. The Battle for Jerusalem explores the heart of Israel's current struggle, the history behind the antagonism between Arabs and Jews, and the powerful significance of the Temple Mount, a thirty-five acre parcel that is the most fiercely contested real estate on the planet. Hagee explains how this conflict is not merely political or economic, but is also spiritual, with the repercussions of their actions continuing to echo across the world. Most importantly, Hagee illustrates how all the players in this tortuous conflict fit into God's plan for the ages.
