Who Else Could Use 101 Everyday Ways To Lose 10 Pounds Or More And Keep It Off? Dear Friend, Youve been putting it off too long. Hey, everyone needs to lose weight from time to time. Youre no different! The world is over-saturated with temptation. With a McDonalds or Burger King on every corner, how is one supposed to keep the weight off? And now that technology has become so advanced, were starting to have less and less opportunity for physical activity. What is one to do? Stop eating? Work out three times a day! NO!!! There is something you can do about it, however. Are you ready? Here it comes... What you need are... 101 Everyday Tips for Losing 10 Pounds! Are you ready to drop those extra pounds youve been carrying around? Awesome. But let me tell you something before others get to you... Two things: You dont need to jump on any current diet craze and you dont need to start exercising for hours each day. Just ask your physician. Any physician worth her salt will tell you that its not about dieting, its about reshaping your lifestyle. If you want to start losing weight, just slightly tweak the habits you are already used to. Eat, but eat different. Dont sit when you can stand. They are little things, but... ...its the little things that make up the extra inches around your waist line! Give me 15 to 20 minutes and Ill show you how to get results you can measure... by your waistline! If youve got 15 minutes, youve got time. 101 Everyday Tips for Losing 10 Pounds is a 70-page thoroughly researched ebook on everyday ways to maintain a healthier lifestyle for people on the go. (Page 42) = 2 bonus quizzes to see how well youve retained all of your newfound knowledge. = And theres MUCH more - guaranteed! Who else wants to benefit from a healthier lifestyle?! Listen... The pounds can sneak up on you, thats for sure. But its often the little things that are really adding up. You didnt gain five pounds because you had chocolate cake after dinner last night - you gained five pounds because youve been

eating the wrong snacks between meals for the last month. Solution? Page 9, pack different snacks. The truest way to tell if you could benefit from a healthier lifestyle is to stand in front of a mirror. You may see something that will convince you that its time to retake control, little by little. And if you tell me you dont want to look at yourself in the mirror, then theres your answer! Just adding a few more tips each day wont take up your time but will improve your appearance and general health. You will FEEL the results. You must admit, itd FEEL GREAT to have extra energy! Wouldnt it feel great to spend more time running around with the kids? Or maybe youd just like to have the energy do something other than watch television on the sofa after a long day at work. All you have to do is take advantage of some of the simple exercises in my report... Your blood is going to start flowing... endorphins are going to set in... the stress of daily life is going to start to fade away... and the effects will last for DAYS! Keep it up and soon everyday will be a healthy day.
