Note: This web page is specifically reserved for 'net marketers who are actively seeking a simplified way to make an incredible leap in their Internet business. "How Your New Ad Tracker Will Save You Massive Amounts Of Profit & Time, Increase Sales & Ad Responses, And Grow Your Business For You Exponentially!" Dear friend, With your permission, I'd like you to answer a question for me. You see, there is one question that plagues just about every 'net marketer doing business online. Well, let me get straight to the point. Answer this; What does it take to really succeed with an online business? Do you know the answer? If I told you that I have the answer, and that I have solid proof to back it up, would you believe me? In just a minute, I will be unveiling the answer and how you can solve the problem! Instantly and easily, creating surges of easy cash, cold hard cash for yourself, your family and whatever else you may need. When Millions Were Actually THROWN IN THE GUTTER! Let me tell you how 4 Internet marketers, just like you- lost millions of dollars by not employing the correct answer to the question above. These 4 marketers did "almost" every thing right. They created and sold their own products, ran their own affiliate programs, bought courses and e-books to educate themselves with new profit

strategies, worked hard at generating traffic, just like you do- right now. But one element of their marketing plan was missing, and as it turns out, this one element is the breakthrough that literally skyrocketed their income as soon as they employed it. So what is the answer to that question? It isn't about writing ad copy, getting traffic, creating products, or building a list, the key- the one specific money-making key to Internet marketing is the ability to measure and effectively test all avenues of your online cashflow without spending much time. Let the truth be known; Marketing is a numbers game! It's been said before. And it's the truth. Plain and simple. If you have the ability to test and measure the results quickly and easily, then you and anybody can become a marketing genius! And that is the real key to raking in trash bags of cash! What you need to do this is.... Something that is automated, easy to use, and virtually hands-free! Something that lets you track, measure, and analyze the "numbers" of your marketing campaigns! Something that will tell you where your business is losing money, and what to improve upon! Something that will forever help you to increase your income every second of every day! That "something" has never existed before...Until now! Introducing: Ad Tracking Pro ! This isn't some basic "ad tracker" or "service" that confuses you and wastes your time, this is a complete solution that will stick by your side and speed up the rate at which your business grows! With it, you will be able to test, measure and analyze all marketing campaigns and easily increase cashflow. Without it, you risk floundering like a fish out of water, losing money on your marketing efforts and wasting precious amounts of "profit time"! Ad Tracking Pro will soon become your best friend, enabling you to shoot past current competition and free up time wasting tasks that are only holding you back. Let's get right down to what Ad Tracking Pro has to offer! The Statistics Helm (With Campaign Control Technology!) The Statistics Helm is specifically tailored to help make marketing your business an easy game. Add a simple JavaScript to any or all of your web pages and you instantly empower yourself with the ability to track anything and everything that comes your way! It tracks unique visitors, total visitors, referring URLs, time and date (down to the second), search engines keywords, you name it! Not only that, but with its Campaign Control Technology, you can create ad campaigns to use without having to use a 3rd party URL. For instance, add a little code to the end of your URL like: `yoursite.com/yourpage.html?tid=ad` and you can track unlimited ad campaigns without the hassles of using another domain name. Simple, brilliant and very effective! The Ad Amplifier Need to track visitors going to external links like affiliate programs, joint ventures, etc..? Use your ad campaign trackers with OUR URL instead of yours like above. Just tack your

tracker ID to the end of our specialized URL, and now you can track external links. It looks like this:  
trackerzap.com/member/link.php?tid=ID These trackers are designed to make it completely hands free for you. It will automatically create your web site's marketing numbers for you. Spitting out such statistics as: Unique visitors, total visitors, visitors to sales ratios, cost per click, cost per sale, referring URLs, time and date of each visitor, and more... With this, you can stop wasting time and money on ineffective marketing campaigns and start utilizing the power of the numbers came to your advantage! The Action Gauge Did I forget? This system also tracks web site sales and actions performed by your visitors! Need to know which ads are also producing sales? No problem! Need to know which marketing campaigns are producing ezine subscribers? No problem! The Action Gauge is fully integrated with the statistics program giving you a full grasp at what is going on with your web site. Never miss or guess again! The Scientific Split-Tester When using the Ad Amplifier, you will have the ability to "split" the traffic that goes through your tracking URL to two different web sites. Why is this important? Imagine the power that you will have if you could perform scientifically accurate marketing tests with ease to see what works and what doesn't. Once you find out what works, drop the losers and explode your income! This is what separates the 6 and 7 figure earners from the penny pinchers. Testing is by far the easiest way to constantly produce more cash, day after day, then you ever thought possible. Do it the easy way with Ad Tracking Pro!
