Create Your Own Wordpress Membership Site Using Wordpress and Free Plugins Wordpress is the easiest way to create a money making membership site. These step by step videos show you how. Dear Reader. Let me tell you a little bit about membership sites. There is no better way to make a steady income on the Internet. You basically make a sale once and get paid for as long as that customer stays a member. If you provide quality content and provide a great value people will stay members for a LONG time. The problem that many people run into is putting it all together. Many people have a great idea or a great product or service to offer but they are stuck on the membership part of the equation. Some of the membership software out there is very expensive and complicated. What the beginner is looking for is something inexpensive (or free) that will do the job for them and is easy to implement. That is where Wordpress comes in. Wordpress is a powerful blogging system that can be used in many ways - including content management. By adding the right (free) plugins to Wordpress you can turn it into a powerful site. I HAVE DONE THE HARD PART FOR YOU! I have created a four part video series that takes you through the whole thing - step by step - and I have included the crucial (free) plugin that will turn your Wordpress Blog into a membership site. There is nothing further to purchase! In these videos you will learn the following: * How To Install Wordpress (Cpanel and Manually) * Where to get the plugins to make your site more functional * Which plugins to use to make your site search engine friendly * How to set up a single level recurring membership site * How to set up a multilevel single payment site Once you get these videos and follow the instructions you will have your site up and running within a couple of hours. There is nothing more you need to purchase - everything is included. (You will need a domain name and hosting) But WAIT - there's more! You will also receive Master Resale Rights and Private Label Rights to these Videos. I will even include the plugin that I modified to make the membership site work. You also get a copy of this sales page. You also get the videos in three different formats. * AVI (editable) * Flash (Streamig to watch in your browser) * WMV (Windows Media Player) I spent days figuring out how to modify the plugin and use it and create these videos. So how much - let's play the game. Is it \$97 - no Is it \$67 - no Is it \$47 - no Is it \$37 - no You receive the full package containing: * The Four Video Series *

The Modified Plugin * Private Label and Master Resale Rights * A Copy of this Web page * The Videos in Four Different Formats For only \$29.95 Tags: plr
