

# A Concise History Of Modern Europe: Liberty, Equality, Solidarity - David S. Mason

[DOWNLOAD HERE](#)

Highlighting the most important events, ideas, and individuals that shaped modern Europe, A Concise History of Modern Europe provides a readable, succinct history of the continent from the Enlightenment and the French Revolution to the present day. Avoiding a detailed, lengthy chronology, the book focuses on key events and ideas to explore the causes and consequences of revolutions\_ be they political, economic, or scientific; the origins and development of human rights and democracy; and issues of European identity. Any reader needing a broad overview of the sweep of European history since 1789 will find this book, published in a first edition under the title Revolutionary Europe, an engaging and cohesive narrative.
