"Grab one of these great looking internet marketing templates with the cool 3D banners, strip off all the stuff you don't want and add your own text and graphics." 50 minisite templates, in over 25 different niches, that you can use to your hearts content. I designed these templates with one thing in mind, to give you all the room you need, to create the type of sales page you want. These are what I call your basic starter templates. I created them with the bare minimum amount of graphics so that you can use your own imagination and start to edit them any way you like! If you want to you can either leave the graphics just the way they are or load them up inside of Photoshop, Gimp or Paint and change the graphics the way you want. Now I don't want to bore you with a long drawn out sales pitch, my offer is pretty cut and dry! You can download all 50 of these templates right now and start putting together that fantastic looking sales page today. Why pay some graphic designer to build you a fancy looking website template, when you've got everything you need right here to make your own?
