_____ Do you drive yourself mad, bouncin' around through hundreds upon hundreds of different guitar loops and samples tryin to find that one, good, clean sound that even closely resembles that hip hop guitar you heard on the radio? We did... We've even wasted more money than you'd wanna know, hoping to bring our sound to that next level. Well guess what we found... It can't be done without hiring a professional guitarist to do it for ya. That said... We at "Harmony Productions INC." are proud to ease your pain! We've done recorded the absolute finest of fine guitar samples here, expanding the library with sounds from premium grade Nylon, Steel, and 12 String guitars. Our set features endless one shots and riffs from A to G, all arranged by key and tempo. But what will really get ya here is the EQ, compression, and the unique mix we've created with our set. We've never heard better guitar material anywhere, and we're proud to be able to bring this home to you. _____ **All Files In
